POLISETTY VENKATA SIVAJI

Controls Software Engineer

+91 6301156745 | p.v.sivaji150@gmail.com | linkedin.com/in/sivaji-polisetty-aba884213 | Hyderabad, Telangana, India

PROFESSIONAL OBJECTIVE

Results-oriented Control and Instrumentation Software Engineer with expertise in PLC logic design, HMI/UX UI development, and control system integration for GE Power turbine applications. Seeking a challenging Controls Engineer position to leverage hands-on experience in delivering efficient automation solutions and contributing to organizational growth.

EXPERIENCE

Quest Global (GE Vernova Alliance) Engineering Services Jan 2024 – Present

Controls Software Engineer | Hyderabad, Telangana, India

- Developed and implemented PLC logic designs for gas turbine control systems at GE Power plants globally, optimizing designs for accuracy, productivity, and customer-specific requirements.
- Designed and deployed HMI/SCADA screens using Cimplicity, enabling seamless data pipeline communication between control systems and operator interfaces. enhancing data accessibility from software.
- Applied hands-on expertise with control system automation tools including ToolboxST, Cimplicity HMI/SCADA, PLM, and Mark VIe controller platforms.
- Reviewed and validated Control Philosophy documents, P&ID diagrams, Instrument Lists, and Flow Charts to ensure design accuracy and compliance.
- Collaborated with cross-functional teams to align analytical outputs with business objectives, enhancing control functionalities and ensuring seamless system operations.
- Provided remote commissioning support and partnered with site teams to ensure smooth system deployment and timely issue resolution.

TECHNICAL SKILLS

- PLC, HMI & SCADA Programming and Troubleshooting using GE Tools (ToolboxST, Cimplicity)
- Having good exposure on Automation Tools, HMI Design and HMI Configuration, Protocols, SWAT
- Control System Design: Mark VIe Controller, CMS Systems, Simulation Tools, HW IOs Landing, A274 and A276 Docs
- Electrical Wiring and Design
- Programming: Basic Python, HTML
- Tools: Microsoft Teams, Excel, PowerPoint
- Soft Skills: Quality Assurance, On-Time Delivery, Root Cause Analysis, Documentation & Reporting, Team Collaboration

EDUCATION

Degree/Certificate	Institute/Board	CGPA / %	Year
B.Tech – EEE	Bapatla Engineering College, Bapatla	8.7 CGPA	2020–2023
Diploma – EEE	V.R.S and Y.R.N College, Chirala	83%	2017–2020

ACADEMIC PROJECTS & CERTIFICATIONS

DC–DC Converter for Hybrid Electric Vehicles

- Developed a simulation model of a Multi-Input DC-DC Converter for Hybrid Electric Vehicle (HEV) applications at Bapatla Engineering College, aimed at enhancing overall energy efficiency.

Data Analysis Using Python

- Completed a Data Analyst internship using Python on the CSCODENZ platform, gaining practical experience in data processing and analysis.

PCB Design and Fabrication

- Gained hands-on experience in PCB design and fabrication through a structured training program at Bapatla Engineering College.

Renewable Energy – NPTEL Certification

- Successfully completed a 12-week NPTEL course on Renewable Energy.

ACHIEVEMENTS

- Recognized as Best Performer and awarded the On The Fly (OTF) Award at Quest Global.
- National Cadet Corps (NCC) – Certified at A & B levels.
- Completed SSC Vocational in Electronic Applications, ZPH High School.

PERSONAL DETAILS

Name : Polisetty Venkata Sivaji
Date of Birth : 11/06/2001
Gender : Male
Marital Status : Unmarried
Address : Kokapet, Hyderabad
Nationality : Indian

DECLARATION

I hereby declare that the information furnished above is true and accurate to the best of my knowledge and belief.
