

RAJESH KATURI

Validation Engineer

Rajahmundry, Andhra Pradesh | +91-6301722898 | rajeshkaturi115@gmail.com

PROFESSIONAL SUMMARY

Validation Engineer with 2+ years of experience in Gas Turbine Technology, specializing in 50Hz & 60Hz systems, international project execution, and turbine validation. Experienced in European and Saudi Arabia projects. Holds an AWS Certified Cloud Practitioner credential with hands-on knowledge of DevOps tools and cloud infrastructure.

PROFESSIONAL EXPERIENCE

Validation Engineer – Gas Turbine Technology

2+ Years of Experience

- Worked on validation and testing of gas turbine systems, including 50Hz and 60Hz configurations
- Contributed to international projects in Europe and Saudi Arabia
- Performed performance analysis, troubleshooting, and technical documentation
- Ensured compliance with engineering standards throughout project execution
- Designed, developed, and implemented PLC-based control logic for gas turbine systems across multiple GE Power facilities globally
- Optimized control system designs to enhance operational accuracy, productivity, and reliability
- Collaborated with cross-functional teams to deliver customer-specific control solutions tailored to unique plant requirements
- Designed and deployed HMI/SCADA screens using Cimplicity, enabling seamless data pipeline communication
- Between control systems and operator interfaces. enhancing data accessibility from software
- PLC, HMI & SCADA Programming and Troubleshooting using GE Tools (ToolboxST, Cimplicity)
- Having good exposure on Automation Tools, HMI Design and HMI Configuration, Protocols, SWAT

TECHNICAL SKILLS

Domain: Gas Turbine Technology, Validation & Testing, 50Hz/60Hz Systems

PLC, HMI & SCADA Programming and Troubleshooting using GE Tools (ToolboxST, Cimplicity)

• Having good exposure on Automation Tools, HMI Design and HMI Configuration, Protocols, SWAT

Programming: PLC, Basic Java

Productivity: MS Office – Excel, Word, PowerPoint

Interests: PLC, Power Plant controls.

EDUCATION

Qualification	Institution	Year	Score
B.Tech (ECE)	PRIST University, Thanjavur	2019–2023	7.8 CGPA
Intermediate	Narayana Junior College, Rajahmundry	2016–2018	66.7%

S.S.C	Sri Chaitanya Techno School, Rajahmundry	2015–2016	7.5 GPA
-------	---	-----------	---------

CERTIFICATIONS

- AWS Certified Cloud Practitioner – Amazon Web Services

DECLARATION

I hereby declare that the above-mentioned details are true to the best of my knowledge.
